4. Vi börjar med att boka en taxiresa till flyget, klicka på adress, en adressruta kommer upp och har jag inte fyllt i uppgifterna i min profil så fyller jag i fälten, se nedan bild.

The screenshot shows the 'Start transfer booking' page. At the top, there is a progress bar with four steps: 1 Start, 2 Select transfer, 3 Complete booking, and 4 Confirmation. The user's name 'Lindgren, Daniel (You)' is in the top right. The main heading is 'Start transfer booking'. Below it, the 'Origin' field is set to 'Stockholm Arlanda Airport (ARN)' with the address '190 45, Sweden'. Below this, there is a link 'or enter an address.'. The 'Pick-up date' is 'Mon, 15 Nov 2021' and the 'Pick-up time' is '07 : 45'. On the right, there is a location pin icon and a blue arrow button. A 'Find Address' modal is open in the center, with a close button (X) in the top right. The modal contains the text: 'To begin your search, fill in the street and at least one additional field, then click on 'Find''. The fields are: Street (Skyttegatan 8), ZIP Code (96136), City (Boden), State (empty), and Country (SE). There are 'Cancel' and 'Find' buttons at the bottom of the modal. In the background, the 'Destination Shortcuts' section shows 'Junkersgatan 5J' with a search icon.

5. Klicka på "find" och adressen lägger sig i rutan enligt nedan.

The screenshot shows the 'Start transfer booking' page after clicking 'Find'. The progress bar and user name are the same. The 'Origin' field now contains the full address: 'Boden, Skyttegatan 8, 96136, Norrbotten, Sweden', with a Swedish flag icon and a location pin icon. The 'Destination' field is empty with a location pin icon. Below the origin field, there is a link 'or enter an address.'. The 'Pick-up date' and 'Pick-up time' are the same. Below the pick-up time, there is a calendar icon and a link 'Add a return trip'. A blue arrow button is in the bottom right corner.

6. Ange destinationen, i exemplet har jag bokat från Kallax till Stockholm så jag ska alltså söka efter Kallax flygplats i rutan som ovan anges som "destination", se nedan bild.
